---	---

PERSONALLY APPEARED BEFORE ME, Marci Andino, who, first being duly sworn, deposes  
and says that:

1. She is the duly appointed Executive Director of the South Carolina State Election Commission (State Commission) and is a resident of Richland County, South Carolina.

2. Pursuant to S.C. Code Ann. § 7-3-20(C)(12) (Supp. 2011), as Executive Director, she serves as the State's chief election official responsible for implementing and enforcing South Carolina's responsibilities under the Uniform and Overseas Citizens Absentee Voting Act (UOCAVA), as set forth in United States Code, Title 42, Section 1973ff, et seq.

3. Pursuant to S.C. Code Ann. § 7-15-405(A) (Supp. 2011), absentee ballots with an absentee instant runoff ballot for each potential second primary must be sent to all UOCAVA qualified electors at least forty-five (45) days prior to the primary election.

4. The primary elections will be held June 12, 2012. Therefore, the UOCAVA ballots have to be sent out not later than April 28, 2012.

5. On April 20, 2012, as the State's chief election official responsible for implementing and enforcing South Carolina's responsibilities under UOCAVA, sent an via e-mail directing the election officials for all 46 counties not to transmit ballots to overseas voters containing candidates for state and local nomination until further order of the Court. She directed the county election officials to send that attached ballot form. The ballot form attached hereto is for Congressional District 3. See Attachment A. The UOCAVA ballots for each of the South Carolina Congressional Districts with contested primaries contain the same wording excepting only the names of the respective political party candidates for Congress. These ballot forms were provided to the county election commissions on April 24, 2012.

6. On April 25, 2012, she was contacted by Jenigh Garrett, Esquire, Trial Attorney, United States Department of Justice, Civil Rights Division, Voting Section, concerning the status of the UOCAVA ballots and provided her with copies of the following documents:

- a. Letter to Brenda Shealy, Deputy Clerk, The Supreme Court of South Carolina, dated April 23, 2012, attached hereto as Attachment B;
- b. Order No. 27120, The South Carolina Supreme Court, dated April 20, 2012, attached hereto as Attachment C;
- c. Copy of email to counties, dated April 20, 2012, advising them about absentee ballots, attached hereto as Attachment D; and
- d. Copy of ElectionNet post (private Intranet site for South Carolina election officials), attached hereto as Attachment E.

7. On April 30, 2012, Jenigh Garrett called her again seeking an update on the status of UOCAVA ballots, and she reported to Ms. Garrett that twenty-five (25) of forty-six (46) counties were required to mail federal ballots to UOCAVA voters. Of the twenty-five (25) counties required to mail federal ballots to UOCAVA voters, each of the twenty-five (25) county election commissions reported that it mailed the ballots prior to the deadline, if it had requests from voters. Ms. Garrett stated that she would contact her if the Department of Justice needed any additional information.

8. A true and accurate copy of an e-mail received from Jenigh Garrett, dated May 4, 2012, confirming her official title is attached hereto as Attachment F.

9. On Tuesday, May 8, 2012, Jenigh Garrett called her to ask whether, since the South Carolina Supreme Court had issued the decision in Anderson v. South Carolina State Election Commission, No. 27120 (S.C. Sup. Ct. filed May 2, 2012), and lifted the injunction on sending state ballots, any counties had sent out state primary absentee ballots. She explained the Election Commission had been working over the weekend to prepare the databases, and some counties had sent out ballots and some counties' databases were still being prepared. Ms. Garrett

said she would check later in the week, but Ms. Andino has not heard back from Ms. Garrett as of this date.

10. On Thursday, May 10, 2012, she sent an email to all forty-six (46) county election commissions, a true and accurate copy of which is attached hereto as Attachment G, requesting that each provide the following information to her by 2:00 p.m. on Friday, March 11, 2012:

- a. Number of absentee ballots for the Congressional Districts that were sent to UOCAVA voters prior to April 28, 2012, and the method used to send the ballots (email/facsimile/U.S. Postal Service);
- b. Number of UOCAVA ballots requested/sent after April 29, 2012, and the method used to send the ballots;
- c. Number of UOCAVA voters who had been sent the complete ballot—Congressional, state, and local offices—and the method used to send the ballots; and
- d. Number of UOCAVA ballots returned by UOCAVA voters.

11. The following Congressional Districts have contested primaries, as shown in a true and accurate copy of a list of candidates, attached hereto as Attachment H:

- a. District 2's Republican primary is contested,
- b. District 3's Democratic primary is contested,
- c. District 4's Democratic primary is contested, and
- d. District 7's Democratic and Republican primaries are contested.

12. A compilation of the status of UOCAVA primary election ballots sent by county prepared by Ms. Andino is attached hereto as Attachment I;

13. Upon conversation with Marilyn Bowers, the former executive director of the Charleston County election commission and a current State Election Commissioner, her recollection was refreshed that since 2006, county election commissions have included state and county ballots for primary and general elections in the same transmission as the UOCAVA federal ballots to any qualified overseas voter timely requesting an absentee ballot.

14. Prior to the filing of this lawsuit, she was not contacted by counsel for Plaintiff Amanda Somers or Ms. Somers and does not have knowledge of any reasonable inquiry being made into the facts alleged in Paragraph 10 of the Complaint.

Further Affiant saith not.

**IMPORTANT MESSAGE CONCERNING YOUR BALLOT:**

As a result of a recent order of the S.C. Supreme Court (Anderson, et al. v. S.C. State Election Commission, et al.), this ballot contains only the federal office of U.S. House of Representatives. This ballot is being sent to meet the requirement under federal law to send ballots for federal offices to military and overseas citizens no later than 45 days prior to an election.

You may also be eligible to vote for other state and local offices such as State Senate, State House of Representatives, sheriff, county council, etc. However, the Court's order prohibits ballots containing state and local offices from being sent to voters. The Court is scheduled to hear this case on May 1, 2012. Once the Court rules, you will be sent a complete ballot containing all offices for which you are qualified to vote. The complete ballot will be sent to you in the same manner as this ballot (mail, email or fax).

Options for returning this ballot and the second complete ballot:

1. Wait to receive your complete ballot and return only the complete ballot. This option may be preferable for voters returning ballots electronically (fax and email) since ballot transit time is less of an issue.
2. Return this ballot now and return your complete ballot once you receive it. This ballot will be your official ballot and would count if the complete ballot was not returned. If the complete ballot is returned, the complete ballot will replace this ballot.

Instructions: Shade in the circle beside the name of the candidate for whom you wish to vote.

Re: Anderson v. SC Election Comm., et al.

Dear Ms Shealy:

With regard to the Supreme Court's Order of mid-day Friday, April 20, 2012 granting plaintiffs' Petition for Original Jurisdiction, Motion to Expedite and enjoining the South Carolina Election Commission (Commission) "from sending out the ballots affected by this matter until further order of this Court", the Commission is obligated to inform the Court and the parties of certain matters regarding the "ballots".

South Carolina uses electronic voting machines for ballot casting. The Commission develops the election database containing the ballot data for the voting machines for 34<sup>1</sup> of the State's 46 counties. Prior to receipt of Friday's order enjoining the Commission transmitting the primary "ballots affected by this matter until further order of this Court", the Commission had finished work on 31 of the 33 counties. As of Friday morning, April 20, 2012, prior to notification and receipt of the Order, the other two counties were completed. Further, as the Commission completed each county database, it was transmitted to the county commission. Therefore, prior to the Court's order at mid-day Friday, the Commission had already transmitted the ballot databases all 33 counties it is responsible for.

In order to comply with the Court's Order, Ms. Andino, as the State's chief election official responsible for implementing and enforcing South Carolina's

responsibilities under the Uniform and Overseas Citizens Absentee Voting Act (UOCAVA), on Friday afternoon, April 20, 2012, via e-mail Ms. Andino directed election officials for all 46 counties not to transmit UOCAVA ballots for state and local nomination candidates until further order of this Court.

As set forth in paragraph 8 of Ms. Andino's Affidavit, there are twelve counties that develop their own election databases, including for primary elections. Those counties are: Anderson, Beaufort, Charleston, Dorchester, Florence, Greenville, Greenwood, Laurens, Oconee, Pickens, Richland, and York.

Additionally, S.C. Code Ann. § 7-15-200 provides that as soon as the ballots to be used in an election are available to a county commission, the ballots may be sent to a person requesting absentee ballots. The Commission does not know whether any county commissions have already transmitted absentee ballots but are polling the counties to determine whether any ballots were sent out prior to Ms. Andino's notice on Friday afternoon.

Further, for purposes of Chapter 13, Ethics, Government Accountability, and Campaign Reform, of Title 8 of the S.C. Code Ann., the term "candidate" does not include federal candidates.<sup>2</sup> There are primaries for several of the several congressional districts that have been certified by the parties as candidates for the United States House of Representatives. As the Commission understands it, since the congressional candidates are not subject to the State requirements for filing of Statements of Economic Interest, they are not considered "candidates" for purposes of S.C. Code Ann. § 8-13-1356.

The federal office candidates are those that are most important to the United States Department of Justice under Uniform and Overseas Citizens Absentee Voting Act (UOCAVA), as set forth in the United States Code, Title 42, Section 1973ff, et seq. In that the congressional nomination candidates are not subject to the provision of S.C. Code Ann. § 8-13-1356, the Commission has authorized the county election commissions to transmit only the UOCAVA ballots that contain names of the congressional nomination candidates in congressional districts where there are primaries as these candidates do not appear to be "affected by this matter".

Thank you for your consideration of this information. Please do not hesitate to contact me if there are any questions regarding this matter. My direct line is 803-753-3240.

---

<sup>2</sup> Section 8-13-100(5) provides, in pertinent part: "Candidate does not include a person within the meaning of Section 431(b) of the Federal Election Campaign Act of 1976."

# IMPORTANT MESSAGE CONCERNING ABSENTEE BALLOTS FOR THE JUNE PRIMARIES!

In SC Code of Laws Section 7-3-20(12), the executive director of the State Election Commission is charged with serving as the chief state election official responsible for implementing and enforcing the state's responsibilities under the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA). In order to meet the requirements of UOCAVA and the Order of the SC Supreme Court, counties should ONLY mail or transmit absentee ballots containing the appropriate US Congressional District. This applies to ALL counties.

We will provide a written explanation as to why the ballot only contains the US Congressional office. This explanation will be posted on ElectionNet on Monday and should be included with the ballot.

Thank you for your cooperation.

**Supreme Court Order & UOCAVA Ballots**

[View](#) [Edit](#) [Outline](#) [Track](#) [Access control](#)

Submitted by cwhltmire on Mon, 04/23/2012 - 16:54

Until the S.C. Supreme Court rules, no June Primary ballots containing state and local offices should be delivered to any voter (see previous post).

To comply with the Court's order and the federal requirement to mail UOCAVA ballots no later than 45 days prior to the Primary (April 28), county voter registration offices should send only ballots containing U.S. House of Representatives to UOCAVA voters. All other absentee voting (non UOCAVA) should be placed on hold. Voters may request applications and return applications, but no ballots should be issued. If a voter were to insist on voting absentee today, the voter should be provided with only a ballot containing U.S. House of Representatives. The only exception to this is if a voter's ballot style contains only U.S. House. These voters would not be affected and could go ahead and vote absentee.

Counties that do not have ballots containing U.S. House of Representatives should not send any ballots until further notice from the court.

Counties not sending ballots at this time: Bamberg, Beaufort, Berkeley, Calhoun, Charleston, Cherokee, Chester, Clarendon, Colleton, Dorchester, Fairfield, Hampton, Jasper, Kershaw, Lancaster, Lee, Sumter, Union, Williamsburg, and York.

Counties that must send ballots by April 28: Abbeville, Aiken, Anderson, Barnwell, Chesterfield, Darlington, Dillon, Edgefield, Florence, Georgetown, Greenville, Greenwood, Horry, Laurens, Lexington, McCormick, Marion, Marlboro, Newberry, Oconee, Orangeburg, Pickens, Richland, Saluda, and Spartanburg.

**Which Ballot to Send Now**

- If a UOCAVA voter's ballot style contains U.S. House and other state or local offices, a Special "U.S. House Only" UOCAVA ballot should be sent. All necessary Special U.S. House Only UOCAVA ballots are being placed in each county's FTP folder. These special absentee ballots contain only U.S. House and include the following special instructions:

ballots for federal offices to military and overseas citizens no later than 45 days prior to an election.

You may also be eligible to vote for other state and local offices such as State Senate, State House of Representatives, sheriff, county council, etc. However, the Court's order prohibits ballots containing state and local offices from being sent to voters. The Court is scheduled to hear this case on May 1, 2012. Once the Court rules, you will be sent a complete ballot containing all offices for which you are qualified to vote. The complete ballot will be sent to you in the same manner as this ballot (mail, email or fax).

Options for returning this ballot and the second complete ballot:

1. Wait to receive your complete ballot and return only the complete ballot. This option may be preferable for voters returning ballots electronically (fax and email) since ballot transit time is less of an issue.
  2. Return this ballot now and return your complete ballot once you receive it. This ballot will be your official ballot and would count if the complete ballot was not returned. If the complete ballot is returned, the complete ballot will replace this ballot.
- All necessary Special U.S. House Only UOCAVA ballots are being placed in each county's FTP folder.
  - If a UOCAVA voter's ballot style does not contain U.S. House of Representatives, no ballot should be sent.
  - If a UOCAVA voter's ballot style contains U.S. House and no other offices, a regular absentee ballot should be sent. There is no need to include any special instructions as the voter is receiving his complete ballot.
  - In some counties, only Republican ballots will be sent but not Democratic ballots, and vice versa. For example, Abbeville County's Republican ballot does not contain U.S. House, but the Democratic ballot does contain U.S. House. Abbeville will send no ballots to Republican UOCAVA voters at this time and will only send ballots to Democratic UOCAVA voters. Abbeville will only get a Special US House Only Democratic ballot.
  - In some counties, all ballots with U.S. House contain no other offices. For example, McCormick Republican ballots contain no U.S. House, and the Democratic ballots contain ONLY U.S. House. McCormick need not send any Republican absentee ballots, and can send all Democratic UOCAVA voters their regular ballot. McCormick will not receive a Special U.S. House only UOCAVA ballot.

#### **Processing Special U.S. House Only UOCAVA Ballots**

- If the voter is sent a regular ballot, process as normal.
- Keep a list of all voters sent a Special U.S. House Only UOCAVA ballot.
- For absentee by mail, write "Special U.S. House Only" on the return envelope.
- For absentee ballots returned electronically, be sure to write "Special U.S. House Only" on the envelope before placing it in the ballot box.

- Use a special UOCAVA-only ballot box to keep all UOCAVA ballots separate

#### **Sending Complete Ballots after Court Ruling**

- The Court is set to hear the case on May 1. Once the court rules, complete ballots should be sent to any voter receiving the Special U.S. House Only UOCAVA ballot.
- For absentee by mail, write "Complete Ballot" on the return envelope.
- For absentee ballots returned electronically, be sure to write "Complete Ballot" on the envelope before placing it in the ballot box.
- At 9:00 a.m. on the day of the Primary, open the UOCAVA ballot box. Match up envelopes from the same voter. Open only the "Complete Ballots" and process normally, including duplicating electronically transmitted ballots for scanning. If voter only has a "U.S. House Only" ballot, it will serve as the voter's official ballot. You will need to duplicate all special ballots for them to be scanned.

#### **Instant Runoff Voting**

- Counties in U.S. House District 7 (Chesterfield, Darlington, Dillon, Florence, Georgetown, Horry, Marion, and Marlboro) must include an Instant Runoff Voting (IRV) Ballot. The IRV ballots will only include U.S. House District 7. No other U.S. House District has more than two candidates. These IRV ballots will be placed in each county's FTP folder.
- IRV ballots for all counties and offices are being prepared now and will be available prior to the Court's ruling.

## SC Supreme Court Order - UPDATED

[View](#) [Edit](#) [Outline](#) [Track](#) [Access control](#)

Submitted by marci on Fri, 04/20/2012 - 13:39

Please see the attached Order by the SC Supreme Court. The Order enjoins the State Election Commission from sending any ballots affected by this matter.

In SC Code of Laws Section 7-3-20(12), the executive director of the State Election Commission is charged with serving as the chief state election official responsible for implementing and enforcing the state's responsibilities under the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA). In order to meet the requirements of UOCAVA and the Order of the SC Supreme Court, counties should ONLY mail or transmit absentee ballots containing the appropriate US Congressional District. This applies to ALL counties.

We will provide a written explanation as to why the ballot only contains the US Congressional office. This explanation will be posted on ElectionNet on Monday and should be included with the ballot.

Submitted by jbrooks on Mon, 04/23/2012 - 09:04.

our Congressional seat (rep) is unopposed for the primary. So that means all of these UOCAVA (rep) voters will receive nothing? Going to be strange. Is this ruling final, or could there be a last minute change before April 28 deadline?

**OFFICIAL BALLOT – Horry County**  
**Democratic Primary**  
**June 12, 2012**  
**Absentee**

**IMPORTANT MESSAGE CONCERNING YOUR BALLOT:**

As a result of a recent order of the S.C. Supreme Court (Anderson, et al. v. S.C. State Election Commission, et al.), this ballot contains only the federal office of U.S. House of Representatives. This ballot is being sent to meet the requirement under federal law to send ballots for federal offices to military and overseas citizens no later than 45 days prior to an election.

You may also be eligible to vote for other state and local offices such as State Senate, State House of Representatives, sheriff, county council, etc. However, the Court's order prohibits ballots containing state and local offices from being sent to voters. The Court is scheduled to hear this case on May 1, 2012. Once the Court rules, you will be sent a complete ballot containing all offices for which you are qualified to vote. The complete ballot will be sent to you in the same manner as this ballot (mail, email or fax).

Options for returning this ballot and the second complete ballot:

1. Wait to receive your complete ballot and return only the complete ballot. This option may be preferable for voters returning ballots electronically (fax and email) since ballot transit time is less of an issue.
2. Return this ballot now and return your complete ballot once you receive it. This ballot will be your official ballot and would count if the complete ballot was not returned. If the complete ballot is returned, the complete ballot will replace this ballot.

Instructions: Shade in the circle beside the name of the candidate for whom you wish to vote.

INSTANT RUNOFF BALLOT  
OFFICIAL BALLOT – HORRY COUNTY  
REPUBLICAN PRIMARY  
JUNE 26, 2012  
**ABSENTEE PRECINCT**

**INSTRUCTIONS TO THE VOTER:** The Instant Runoff Ballot will be used only in the event that no candidate seeking their party's nomination to run for a particular office receives a majority of the votes in the Primary thus forcing a runoff. Instant Runoff Ballots will not be opened if there is no need for a runoff.

For each office on the Instant Runoff Ballot, indicate your order of preference for each candidate whose name is printed on the ballot by filling in the circle in the corresponding column to the right of each candidate. You are not required to indicate a second choice, third choice, and so on. Remember, the more candidates you rank, the more likely your vote will affect the outcome of a potential runoff.

**Example**

<b>U.S. Senate</b> Rank the candidates in order of preference			
Candidate	1 <sup>st</sup> Choice	2 <sup>nd</sup> Choice	3 <sup>rd</sup> Choice
John Adams	①	②	●
Thomas Jefferson	●	②	③
George Washington	①	●	③

In the Primary election, no candidate received a majority of the votes and the two candidates that received the most votes were John Adams and George Washington, thus eliminating Thomas Jefferson. Therefore, in this example, even though this voter liked Jefferson the best, Washington would receive the vote because the voter ranked Washington the highest of the runoff candidates.
